Camp Wahi and Iti Kana are American Camp Association accredited! This means that we undergo a thorough, 300 standard review of our operations — from staff qualifications and training to emergency management by the American Camp Association (ACA). The ACA collaborates with experts from the American Academy of Pediatrics, the American Red Cross, and other youth-serving agencies to assure that current practices at our camps reflect the most up-to-date, research-based standards in camp operation.

# Your Summer of Wonderful Awaits!

Welcome to Girl Scout Camp! Our campers' experiences are our top priority. Make sure you read through all of this information thoroughly. The expanded version of this guide along with more information about our camps can be found online under the member's section of our website, GSGMS.org.

Summer camp is so much more than a vacation. It's a place where campers explore the outdoors, try new activities, practice independence, learn leadership skills, make amazing new friends, and so much more! With so many options to attend, day camp, overnight camp, or troop camp, our girls are sure to have the summer of their lives!

We are also very proud to have recently become accredited with the American Camp Association! This means that all campers will have high quality experiences in a safe and nurturing environment that has been vetted and approved by the top camp association in the United States. We look forward to this summer and all of the excitement it will bring! To ensure your Girl Scout has the best experience she can have, please make sure to complete all necessary paperwork at least two weeks prior to camp check in. Once you are registered you will receive further instructions on CampDocs paperwork and other pre-camp requirements.

All camp registrations require a \$50 deposit (resident camp) \$25 deposit (troop camp per person), paid by credit card, at the time of registration to hold the camp session.

# Who Goes To Camp

**Girl Scouts of Greater Mississippi Provides safe and affirming camping experiences to the girls. We proudly offer a wide variety of activities, with the goal of providing enriching experiences in areas that girls enjoy. We support campers wherever they are in life and feel privileged to create a safe space for those who join us.**

We want everyone to be successful, and we find that campers have the best experience if they can do the following:

- Be fully independent with hygiene (with reminders from staff)
- Use the bathroom, shower, and get dressed unassisted
- Live, shower, and dress in communal spaces. Privacy is an essential and fundamental right of everyone at camp, including toilets, changing areas, and showers, which are single-use. Typical of most public bathrooms, many single-use bathroom stalls are located in one facility.
- Sleep in a room with other people and/or fall asleep without assistance. Our cabins and tents all hold multiple campers; there is no situation in which a child will have their own room.
- Follow verbal directions
- Understand and follow camp rules and expectations
- Be able to verbalize if they need assistance, are hungry, are hurt, etc...
- Be able to reasonably and age-appropriately self-regulate social and emotional needs
