

With the VTK, watch as she takes the lead!

You already know your girl loves Girl Scouts for the friends, the fun, and all the new things she gets to experience. But wouldn't it be great if you knew more about what she's accomplishing?

Now you can! The Volunteer Toolkit (VTK) takes the guesswork out of troop meetings and makes communication and staying in the loop seamless.

With the VTK, you can:

- View the precise activities and program content your girl is engaged in
- Review what her troop or group is planning for the entire year
- See when and where troop events are scheduled
- Stay in touch with the troop leader and volunteers
- Track your girl's GS milestones and more!
