FOLD

INSIDE

FOLD

Girl Scouts of the USA is partnering with the National Association of State Park Directors to host this annual event. Girl Scouts, their families and friends are celebrating their love of the outdoors in state parks across all 50 states.

If you are participating in in-person events, be sure to follow state and local government safety guidelines including social distancing.

Share your adventure and love of the outdoors!
#gsooutdoors

Help this Girl Scout find her way from the start of the trail to her cabin. Good luck!

FOLD

When you head outdoors again and visit a state park, please do so responsibly. Remember to follow the Leave No Trace Principles.

Plan ahead so you leave nothing behind. Get to know the area you'll visit. Repackage and store food in reusable containers.

Travel and camp on durable surfaces. Walk only on existing trails and camp on surfaces that are already impacted or are durable enough to withstand repeated trampling.

Dispose of waste properly: Carry out what you carry in—never dump anything on a campsite or into a water source.

Leave nature as you find it—don't collect or take anything from the outdoors.

Minimize campfire impacts: Instead of using firewood and building campfires, pack a lightweight cooking stove and lantern.

Respect wildlife by checking them out at a distance. Never approach, feed, or follow them.

Be considerate of other visitors. Remember you're not alone in the wilderness. Keep your voices down and let nature be the loudest sounds you hear.
