

Mini Smoothie Slime

1. Combine the glue, water & food coloring in a bowl

$\frac{1}{8}$ cup

$\frac{1}{8}$ cup

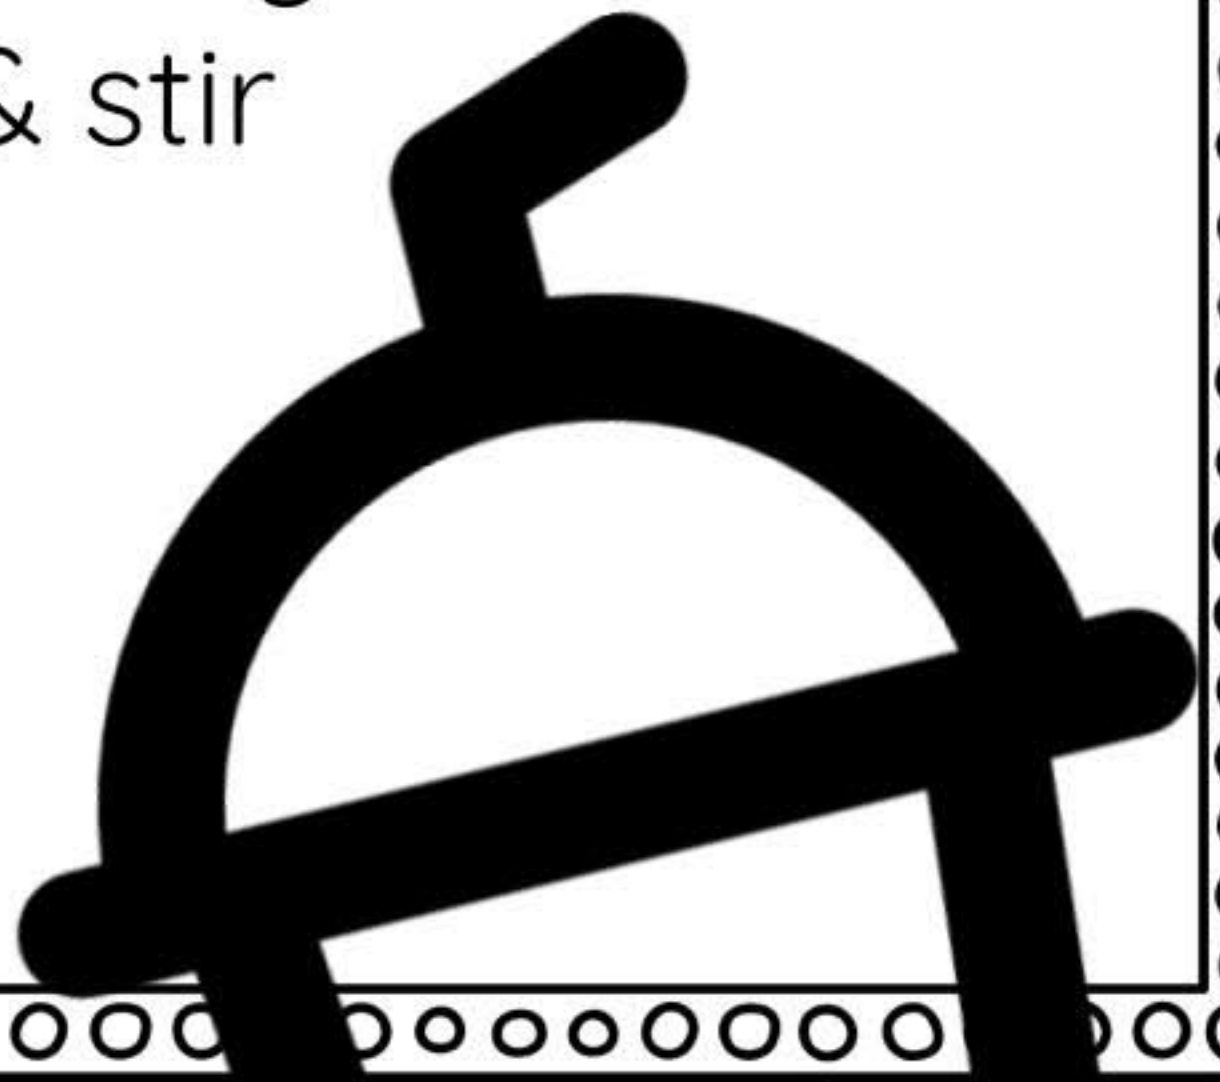

few drops

2. Slowly add in the Tide laundry detergent & stir

1 tsp.

**MUST use Tide.
Cannot substitute
this detergent. For
other ingredients,
off brands work well

fluffy slime

1. Move the air dry clay in your hands to make it soft

2. Add in a few drops of lotion and mix it into the clay. Keep adding lotion until your slime is smooth and fluffy

matter

everything on Earth is made
of at least one state of
matter: solid, liquid or gas

solid

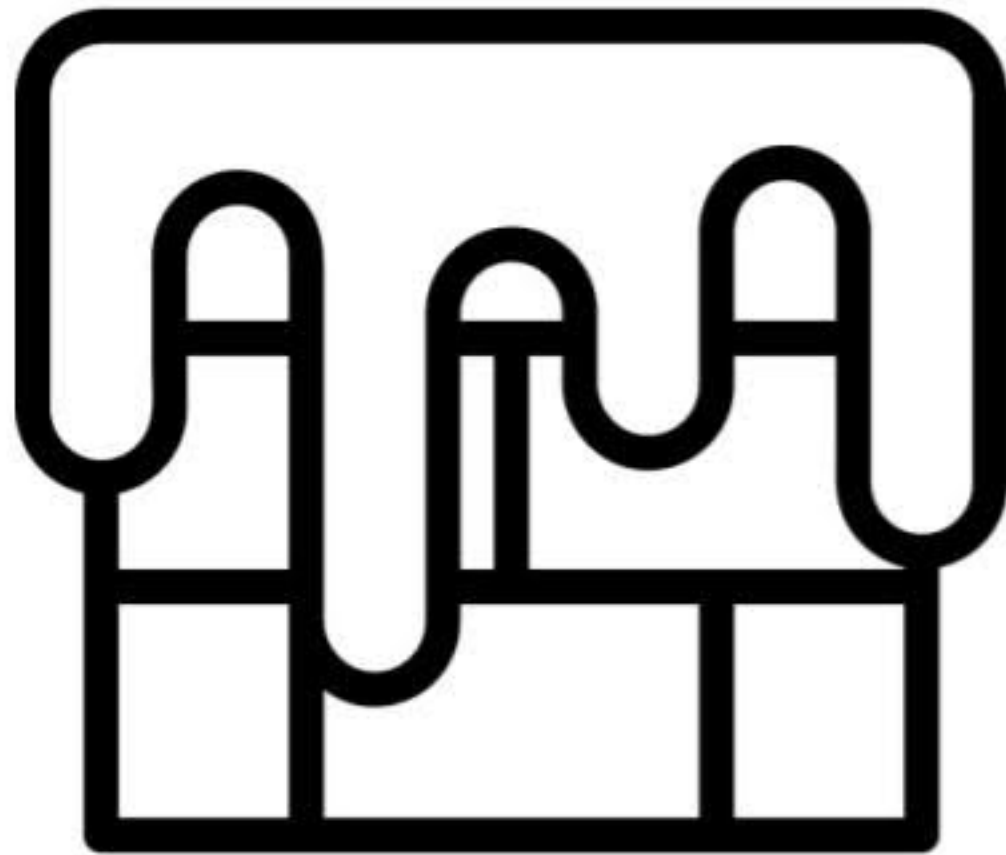

liquid

gas

non-newtonian fluid

doesn't follow
the rules of
being only a
solid, liquid or
gas; can be a
combination of
states.
