Social Media Guidelines

Girls today are tech savvy. As they utilize resources to learn key marketing and advertising skills, all posts on any social media forum should be monitored and approved by the guardian.

It is impossible to police all the avenues of social media. We expect Girl Scouts and parents to be honest and fair in their responsibility to social media.

Absolutely no posting on any marketplace or buy, sell trade pages!

If one of your girls or guardians creates a post on an unapproved site, politely remind them of the guidelines and ask them to remove the post. If the parent does not remove the post, provide your Service Unit Cookie Chair with the information and a copy of the post for follow up contacts.

Market their business online

Girl Scouts can expand their customer base by promoting their cookie business online. Here are a few ways they can take their digital marketing to the next level.

- **Digital Cookie®:** Personalize their site by uploading weekly videos. Offer cookies through direct shipping or in-person delivery.
- **Social Media:** Create a digital marketing campaign to stand out and spread the word to far-away family and friends. For tips and best practices, visit Digital Marketing on LittleBrownie.com.
- **Text or Call:** Reach out to customers who may not be online and follow up for reorders.

We make marketing easy. Learn the basics and keep track of important dates with this helpful guide - sure to make cookie season a success! Visit Digital Marketing Basics on LittleBrownie.com and Digital Marketing Tips for Cookie Entrepreneurs at girlscouts.org.

Five cookie customers

Volunteers and Girl Scout entrepreneurs will be fascinated to learn there are five different types of cookie customers. The Customer IQ Quiz is a fun way to role play with a group who guesses what type of customer is being acted out! Resource found in the Rally Guide.

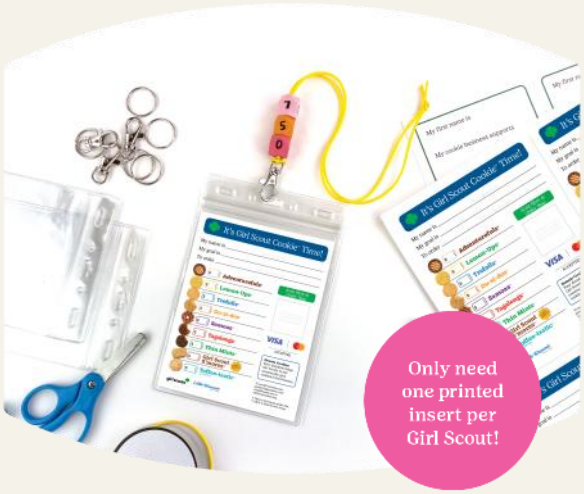
Ordering made easy



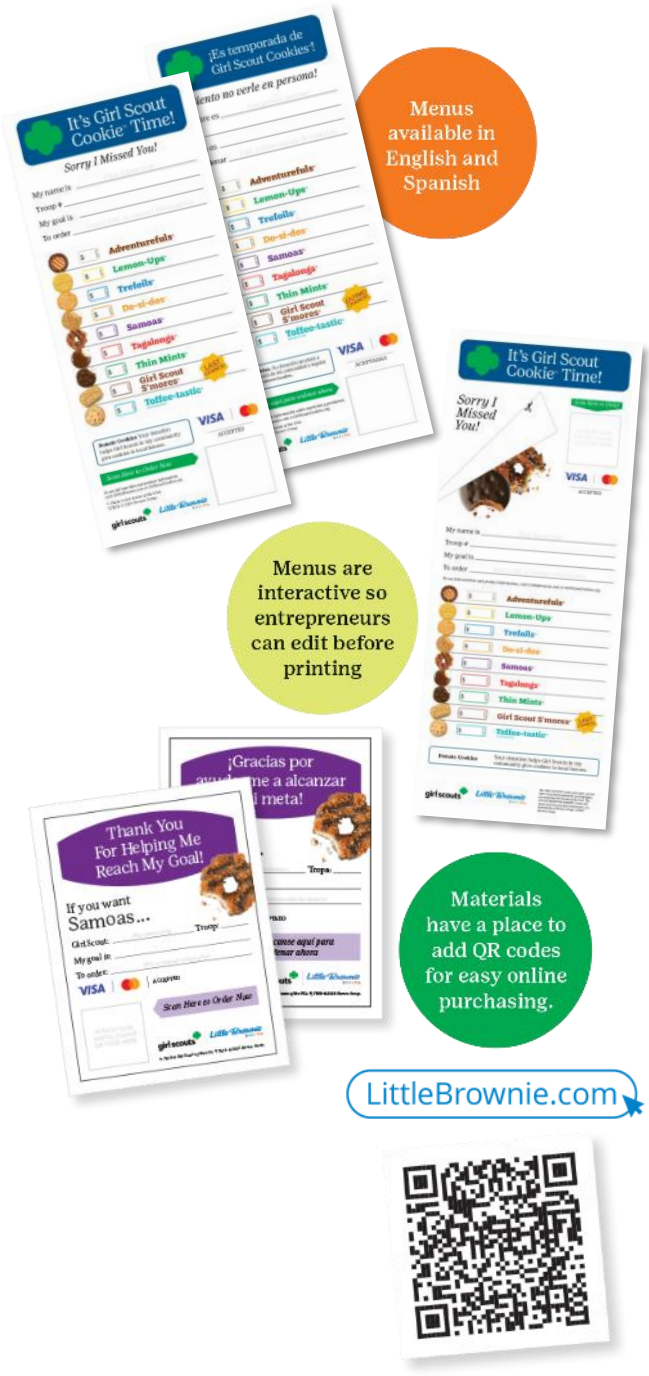
On-the-go Girl Scouts will love these handy Girl Scout Cookie™ menus!

They fit easily into plastic holders on lanyards so they're protected from all types of weather.

Entrepreneurs can wear them at booths and encourage customers to scan their QR code to visit their Digital Cookie® site to make a purchase and bookmark their site for future purchases. It's especially handy if booth inventory in a certain variety is running low!

Girl Scouts can also pop them into their backpacks for customers to scan anytime.

Lanyard inserts can be personalized with marketing messages and cookie prices.



Cookie Delivery

All cookies submitted in eBudde by 1/19/2025 are part of the initial order and will be delivered to each Service Unit during the week of 2/3/2025.

(Greater Jackson Area Service Units and Greater Gulfport Area Service Units participate in the Mega Drop. Troops go individually to Armstrong or Ace on 2/1/2025 to pick up their troop cookies).

On Delivery Day:

- The Service Unit will receive the delivery and separate cookie cases by Troop
- Troops will pick a time to arrive and pick up cookies (even if they are helping with the delivery)
- Troops cannot pick up cookies before the truck is completely unloaded and count is verified, so do not arrive to your appointment early unless you are assisting with the unloading and sorting
- Count and verify cases, by variety, before you sign the delivery ticket
- Troops are responsible for counting their cases and noting any shortages before loading any cookies
- You are responsible for any shortages once you leave the delivery site
- Transport your cookies and separate them by girl for parent pick up
- Schedule times for parents to pick up cookies and rewards within 24 hrs

Helpful information

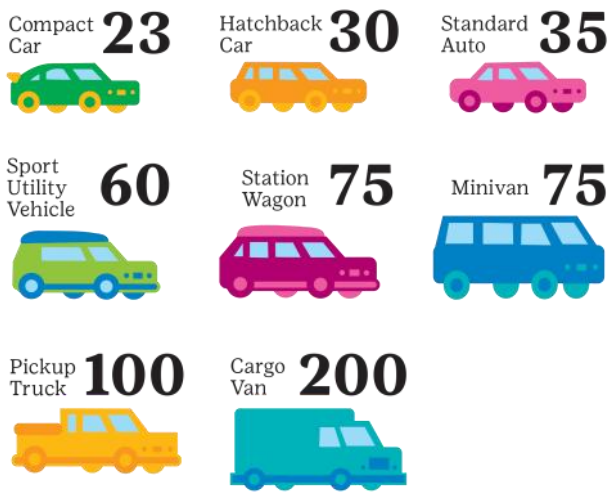
Girl Scout Cookie™ pick-ups

Picking up your cookie order is exciting, and there are a few steps you can take to make sure everything goes smoothly. First, be aware that troops are responsible for counting and verifying the total number of cases received. When in doubt, recount!

Tips for a smooth pick up

- Know exactly how many cases you ordered of each variety.
- Arrive at your scheduled pickup time.
- Make sure you have enough vehicles to load your order *(see below)*.
- Line up your vehicles at the same time.
- Check in and receive your pickup ticket.
- Count each variety of cookie and then recount– it is helpful to have two people counting cookies.
- Sign for your order and take your receipt.

Number of cases my car can carry?



Average sales per cookie variety

Deciding how many packages to order for booths isn't an exact science, but here are average sales per cookie variety to give you an idea of how many to order:

Adventurefuls	8%
Lemon Ups	8%
Trefoils	13%
Dosidos	11%
Samoas	20%
Tagalongs	12%
Thin Mints	15%
Exploremores	7%
Toffeetastic	3%

Consider ordering more Girl Scout S'mores since it's their final season!

Your cookie pick up is your initial order cookies. This includes any orders taken on a girl's digital cookie site as girl delivered before 1/25/2025.

Ensure all cookies are secured before you leave the pick up location. Any damages or losses incurred during transport are the Troops responsibility.

Cookie Cupboards

Troops pick up additional cookies for troop booths and for additional girl orders at the cookie cupboards. Cookies are picked up by the case. Orders are placed in ebudde or through the cupboard keeper app.

Cupboard locations

Jackson office

Meridian office

Hattiesburg office

Gulfport office

Cupboard hours are:

Thurs and Fri 9 am-6 pm
and Saturday 8 am-11 am

Cookies for cupboard orders are received during the week of Initial Order delivery. Cookie quantities and availability are directly affected by cupboard orders placed. As the season continues additional orders may be required from the bakery. Cookies are moved around the council each week to ensure accurate availability based on cupboard orders.

- Orders must be placed by Tues to ensure availability
- Pick up day and time are subject to approval
- Cupboard orders are filled based on when they are entered into eBudde and on available inventory
- Troop leaders can add a volunteer as a pick up person to sign for troop cookies

Booth Guidelines

Walmart, Winn Dixie, GNC, Joann Fabrics and Corner Market location requests are submitted by the council.

Troops cannot contact ***any business*** to request a booth without submitting to their Service Unit first ***and*** receiving approval.

After booth locations have been secured by council or Service Units, Service Units will be given the dates and locations for troops to select a limited number of booth spots from within their Service Unit.

Troops can select additional booth times in ebudde after Service Unit spreadsheets are sent to council and open spots are uploaded in eBudde.

Spots uploaded in eBudde have already been approved and are open for selection by troops throughout the council. Open spots are colored green.

All booth sales must take place in a designated, council-approved area.

- Girl Scouts cannot sell in or in front of establishments that they themselves cannot legally patronize or where products they cannot consume are sold.
- Girl Scouts must be present at cookie booths at all times; best practice is 2 adults (at least one of whom is a registered Girl Scout volunteer with the required background check) and 4-5 girls.
- Only Girl Scout Cookies may be sold at booths.

Adults and Girls must adhere to the Girl Scout Promise and Law at all times. If there is a dispute it should be handled away from the Girl Scouts and in a professional manor. For staff assistance call or text 601-937-5799

Booth Essentials

Cookie booths are a great place for Girl Scouts to leverage and grow their entrepreneurial skills. This opportunity comes with some important responsibilities.

- While at a cookie booth, make sure Girl Scouts wear their uniforms, Girl Scout–branded clothing, or their membership pin to clearly identify themselves as Girl Scouts. It's a great way to show your Girl Scout pride!
- Booths should not block a store entrance or exit. Make sure there is enough room for both the cookie display table and the participating Girl Scouts. Ensure that pedestrians, bikes, and cars can safely pass by.
- Arrive early enough to set up (10 min), but do not encroach on the time of troops selling before you.
- Begin packing up before the end (10 min) of your shift so troops following you can start on time.
- Be sure to clean up after your shift, taking empty cases with you.
- Set up—and remain in the designated area.
- Always be courteous and polite; avoid yelling at customers.
- With adult supervision, Girl Scouts should do the selling.

Plan for the weather in your area!

What to Bring!

- Table and chairs
- Tablecloth, displays, and signage
- Cash to make change
- Money pouch or cash box
- Digital Cookie App for taking credit card payments
- Cookies
- Bags/boxes for large customer orders
- First-aid kit

Example of Cash Amounts to have on hand:

This is a guide for you to follow for your first booth location.

BRAVE. FIERCE. FUN!

Inspire cookie entrepreneurs

Skills they build

The Girl Scout Cookie Program® helps Girl Scouts develop real-world skills in five essential areas:

1. **Goal Setting**
   Girl Scouts learn how to set goals and create a plan to reach them.
   How you can help: Encourage them to set incremental, achievable goals. Work with them to break down their goals into small, frequent wins like weekly challenges.

2. **Decision Making**
   Girl Scouts learn to make decisions on their own and as a team.
   How you can help: Talk about how they plan to spend the troop's cookie earnings.

3. **Money Management**
   Girl Scouts learn to create a budget and handle money.
   How you can help: Build on their interest in learning to manage all facets of the cookie business, like creating a budget to fund a troop experience or figuring out the percentage of customers who chose the donation option.

4. **People Skills**
   Girl Scouts find their voices and build confidence through customer interactions.
   How you can help: Ask them about new marketing ideas they want to try. They can discuss how to tailor their cookie pitch to achieve their goals.

5. **Business Ethics**
   Girl Scouts learn to act ethically, both in business and life.
   How you can help: Talk to them about the importance of delivering on their promise to customers. They can also consider offering a cookie donation option.

Troop Proceeds

Troops earn $.74 cents per box of cookies sold during the 2026 Cookie Program.

Extra proceeds can be earned by:

Early bird registration	**= $.04**	**- troops who renewed by 7/31/2025**
On time registration	**= $.02**	**- troops who renewed by 9/30/2025**

For a troop to qualify for the early bird or on time registration bonus, the troop must have at least two registered volunteers and 75% of the girls renewed by the end date.

Older girl troops who have been active for 5 years or more and participated in the cookie program need 50% of their girls renewed.

Participation in the Fall Product Program
Per girl PGA of 255 and 50% girl participation =$.03

Troop PGA reward

Initial order rewards are calculated based on the number of boxes entered into eBudde by 1/26/2026.

The troop PGA reward is calculated based on the total number of boxes entered divided by the number of girls who have sales.

The troop will receive the reward for any girl who has cookies assigned by the end of the initial order. As a bonus the troop leader will also receive the troop PGA reward.

Troop girl PGA requirement is 325 boxes

Gift of Caring

During the cookie season troops may receive donations from customers. All donations received during the cookie program go towards the "cookies for heroes" program.

There is a patch reward for cookies that are designated for cookies for heroes. For girls to qualify for the rewards, cookies must be entered into the "hero" column on the girl order tab in eBudde.

Cookies entered in the "hero" column are added to a troops overall inventory and money due from the girl is increased by the number of boxes entered.

All cookies entered in the "hero" column are donated by the council at the end

6 Boxes in Hero Column

If a troop donates cookies directly to a local hero organization those cookies are NOT added to the "hero" column.

Any cookies physically donated by a troop comes out of their existing troop inventory and are already accounted for in eBudde.

Adding cookies to the hero column will increase your inventory and money due.
